The San Luis Obispo County SELPA office is located at the Morro Road Education Center in Atascadero, California.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

The San Luis Obispo County SELPA is comprised of all school districts in the county, two charters, and the San Luis Obispo County Office of Education (SLOCOE). These districts and charters have joined in a cooperative effort to provide for the coordinated delivery of programs, services and assurance of equal access to such programs, and services to eligible persons with disabilities requiring special education in the service region. Each Local Education Agency (LEA) is responsible for adopting and implementing the Local Plan as outlined.

Application must be made to the SELPA on or before January 1 of the school year preceding the school year in which the charter school anticipates operating as a member LEA within the SELPA. The SELPA director and/or staff will review the charter school's application and develop a written recommendation within 30 days of receipt of application. Both the applicant and members of the Governing Council will receive copies of the written recommendation at least 10 days prior to the item appearing on an agenda. The Governing Council will take action to approve or disapprove the charter school as a member LEA within 60 days of application. If approved, the charter school LEA will become a member effective on July 1. Prior to final approval and full acceptance as a member LEA, the charter school will continue to be deemed a public school of the chartering district. If disapproved, the SELPA director will provide the applicant with a written finding that delineates the reason(s) for disapproval.

Once granted membership within the SELPA, the LEA charter school will participate on an equal basis with other members in the governance of the SELPA. A charter school LEA will have equal voting power with noncharter LEAs as described in this Local Plan.

If the approval of a charter school requires a change in the SELPA Allocation Plan or governance structure, such change shall be adopted pursuant to the policy making process outlined in the Local Plan. A request from a charter school to participate in the SELPA will be treated in the same manner as such a request from a school district.

State and federal revenues received by the San Luis Obispo County SELPA are equitably allocated to the Local Education Agencies (LEAs) using the adopted revenue distribution process. The SELPA funding allocation plan ensures that cost effective services are available for all students within the SELPA.

The plan does not create an incentive to place students in special education programs. The plan

SELPA San Luis Obispo County

Fiscal Year 2020-21

accommodates growth and decline by individual LEAs and the addition of other special education program providers such as charter schools.

The prior year use of services and the current year SELPA-wide funding is the basis for budgeting. The plan reflects the actual costs of services used by students and each LEA is responsible for paying for services provided to their students through their federal, state, and local revenues. Some services, as noted in the allocation plan, are paid for by all LEAs in the Local Plan.

The SELPA office prepares and distributes state and federal funds according to the SELPA adopted plan.

c. The operation of special education programs: education programs:

Each Local Education Agency (LEA) shall provide special education and related services to all eligible students within its boundaries, including students attending charter schools where a LEA of the SELPA has granted that charter, unless charter is designated as an independent LEA for Special Education. Each LEA shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the LEA of residence programs.

Such cooperation ensures that a range of program options is available throughout the SELPA. LEAs may enter into additional contractual arrangements to meet the requirements of applicable federal and state law.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs:

The SELPA director and the Administrative Unit (AU) shall be responsible to monitor on an annual basis the appropriate use of all funds allocated for special education programs. Final determination and action regarding the appropriate use of special education funds shall be made by the Governing Council through the annual budget plan process and reflect the principles and policies of the adopted Fiscal Allocation Plan.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments:

Determination of expenditures begins at the IEP level where the IEP team agrees there is a need for special equipment, materials and/or services to provide access to the curriculum and support the learning of a particular student. The district special education director reviews this

SELPA Fiscal Year 

identified need. The requesting LEA will research the cost and location of the requested item. Upon receipt of the completed packet, the SELPA director or designee will review all requests. If requests meet requirements, the requesting LEA will be notified to order the equipment or materials. Information about approved low incidence equipment or materials will be provided to the Directors. Efforts will be made to support opportunities that serve pupils in the least restrictive environment by using appropriate equipment and materials. The SELPA office keeps an inventory of all items purchased and students to whom assigned. Specialized equipment may be transferred to another educational agency if the pupil no longer needs the equipment or transfers out of the SELPA. No specialized equipment shall be transferred out of the SELPA without the approval of the SELPA Director.

SELPA:

Fiscal Year:

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
